Future Leaders Programme

About Future Leaders

The Future Leaders programme empowers young people aged 14-19 to plan pathways to their ambitions and develop essential skills, behaviours and knowledge to reach their potential.

As a Future Leader, you will be equipped to envision a range of possible education and career pathways for yourself and offered a blend of personalised coaching, skills development and immersive experiences. The programme encourages you to develop a greater range of "possible selves", nurturing self-belief and supporting you to realise your ambitions.

All the trips, opportunities and coaching sessions helped build my experience in so many different contexts. From public speaking, to work experience to simply talking about my plans for the future. I think everything helped me become a well-rounded individual.

Fatema, Swindon Future Leader

Why join the Programme?

The Future Leaders programme supports you to:

- Develop motivation, responsibility and curiosity
- Build confidence and self-belief in reaching your goals
- Learn to map pathways for success and make effective decisions
- Have a positive impact on your school or college
- Be self-reflective and thoughtful

Core Components

Coaching

Explore purpose and values, clarify what is important to achieve, and make a plan to get there.

Leadership Challenge

Create, manage and deliver a project which impacts positively on your school community and peers.

Skills & Subject Courses

Develop academic skills, abilities and knowledge which support your chosen pathway, online and in person.

Specialist Support

Early Entry Support

Assists with pre-admissions tests, personal statements, and interview preparation for competitive courses.

Employer & education experiences

Opening up university, apprenticeships and career pathways, through insight days, residentials and skills-based projects with our partners.

Apprenticeships Support

Provides individual research, application, and interview support for competitive degree-level apprenticeships.

About Future Leaders

As a Future Leader, you have exclusive access to our innovative online learning space, Launchpad.

Explore a diverse range of courses from academic skills and post-16 guidance to career and apprenticeship support to well-being and stress management.

Earn badges and certificates to document your achievements and showcase your progress to future employers or educational institutions.

Stay connected with your coach to receive tailored guidance and support, helping you stay on track with your goals.

Download the Brightspace Pulse App on your personal device for the best online learning experience.

I'm grateful that I have someone dedicated to helping me succeed in the future and to help me with any questions I have. The programme has changed my mindset and I definitely feel more confident with the key skills of the programme after the residential and leadership challenge especially.

Will, Tyneside Future Leader

Villiers Park Vision and Mission

Villiers Park is a national social mobility charity committed to developing young people's personal, academic and employability skills. Our vision is a world in which everyone can realise their potential and lead society towards an equitable and healthy future.
